VOICES OF THE LADDER

Family ladders

Thirty minutes, together

ON YOUR TABLE

A ladder sheet, rung strips, and a rung key
Markers and a glue stick

DONE EARLY?

EIGHT MINUTES

Youngest first, each person says who they met and teaches their rung, motion and all. If your rung came with a question, ask it.

2 Build

EIGHT MINUTES

Write each rung on a strip, with who taught it and who said it first. Decide the order together, then glue the strips onto your ladder.

3 Top rung

TEN MINUTES

Talk it over, then write your family's own rung in the gold space at the top of your ladder.

> *If angels could carry something up to God for our family, what would it be? What would we want them to bring back down?*
>
> OR, WITH OLDER KIDS *Where have we found something holy in a place we didn't expect?*

4 Post it

FOUR MINUTES

Copy your top rung onto the gold strip, add your family's name, and tape it to the community ladder. Your ladder goes home with you.
